Darshan Patel

Undergraduate Computer Engineering Student | Software & ML Intern

8980874165 pateldarshanp02@gmail.com https://www.linkedin.com/in/darshan-patel-6134a6358/

SUMMARY

Undergraduate student with hands-on experience in building web applications, RESTful APIs, and data-driven projects. Skilled in Python, React.js, Flask, and MongoDB, with practical exposure to machine learning and data analytics through academic and personal projects. Passionate about applying technology to solve real-world problems and actively seeking an internship opportunity to learn and grow as a developer.

PROJECTS

Indraprastha – Real Estate Platform with AI Price Prediction

Tech Stack: Flask (REST API), React.js, MongoDB, Python (ML)

- Built a full-stack real estate platform for property listing, buying, and renting.
- Developed **Flask REST APIs** and integrated a **machine learning model** to predict property prices using area, location, and property type.
- Connected AI-based price predictions to the frontend for data-driven decision support.

Live Health – Disease Prediction Platform

Tech Stack: Django (REST API), React.js, MongoDB, Python (ML)

- Built a health prediction web application with a **user-friendly React interface**.
- Developed **Django-based REST APIs** to connect trained **machine learning models** with user input.
- Performed **real-time data analysis** to generate disease predictions and basic health recommendations.

Opticlux – E-Commerce Website

Tech Stack: HTML, CSS, JavaScript

- Built a **responsive e-commerce website** with product catalog and cart functionality.
- Implemented **interactive UI features** using JavaScript for better user experience.
- Designed a **mobile-first, responsive layout** compatible across devices.

CERTIFICATION

Introduction to HTML, CSS & JavaScript – IBM (Coursera)

Certification covering fundamental concepts of HTML, CSS, and JavaScript

Inheritance & Data Structures in Java – LearnQuest

Certification focusing on inheritance and data structures in Java

Introduction to Java – LearnQuest

Certification introducing Java programming

Exploratory Data Analysis for Machine Learning – IBM

Certification providing skills in exploratory data analysis for machine learning

SKILLS

Programming Languages

Python | JavaScript | Java (Basic)

Frontend

React.js | JavaScript | HTML | CSS | Bootstrap

Backend

Flask | Django | Node.js | RESTful APIs

Database

MongoDB | MySQL | PostgreSQL

AI / Machine Learning (Basic)

Machine Learning (Basic) | NumPy | Pandas

Tools & Platforms

Git | GitHub | VS Code

EDUCATION

Bachelor of Engineering – Computer Engineering

LJ Institute of Engineering and Technology

2023 - 2027 Ahmedabad, India

LANGUAGES

English	Intermediate
Hindi	Proficient
Gujarati	Native

INTERESTS

Open Source Projects | Hackathons | Web Development
